### Rent Payment Reminder

Rent is due on the first, late after the 5th. To pay your rent after the office is closed, drop it thru the opening in the office door. Any money inside the door when we open on the 6th, is not considered late.

### Staff—Off Duty Hours

Residents, please do not knock on on-site staff's apartment doors after business hours. The emergency phone number is given to all residents for after-hours emergencies. If it's not an emergency, you can call the office the next business day or leave a message on voice mail.

The staff works hard and deserves their time off, just as you do. The emergency phone number is listed on page 1.

### Holidays—Crime Increases

Sad, but true, the holiday season doesn't bring out the best in some people. Especially now, when unemployment is at a high, we urge residents to be more cautious than ever in securing your automobiles and your apartment. The following tips may help:

- Always lock your doors whether you're home or not
- Always lock your vehicles
- Don't leave expensive equipment visible in your vehicle.
- Before exiting your vehicle, check your surroundings
- Report any suspicious vehicles or people to the office and to the police dept
- Don't make a big issue of expensive gifts you're putting under the tree
- Know your neighbors. Introduce yourself and create a buddy system while either of you are away for an extended period of time

**Remember: Safety is your responsibility. Although we put locks on your door and windows, we provide exterior lighting and make no warranties or guaranties regarding your security.**

# Jen's Kitchen

## Ham with Honey and Brown Sugar Glaze

### INGREDIENTS

- 1 (5 pound) fully cooked sliced ham
- 1/4 cup whole cloves
- 1 cup pineapple juice
- 1 cup brown sugar
- 1/2 cup honey
- 2 oranges, juiced

### DIRECTIONS

1. Preheat the oven to 350 degrees F (175 degrees C).
2. Place the ham in a roasting pan and dot with cloves. In a saucepan combine the pineapple juice, brown sugar, honey and orange juice. Stir and simmer over medium-low heat until thickened, about 10 minutes. Pour the glaze over the ham. Bake the ham uncovered for 1 hour in the preheated oven.
